SAFETY TALKS

We are aware of the fact that employee safety is essential to employee health, welfare and morale. We would like to remind you that we offer **FREE** safety meetings as an ongoing part of our Risk Management Service.

Safety meetings can be an important part of your overall safety program. They are an effective means to provide workplace hazard training and a positive method to let your employees know that their company is serious about their safety and welfare.

Our short meetings can be incorporated into your weekly or monthly schedule. We have a large number of topics that we can train, including but not limited to:

- Air Contaminants
- Alcohol & Drug Free Workplace
- Carbon Monoxide
- Driver Safety
- Electrical Safety
- Fall Protection
- Fire Protection
- Flammables & Combustible Liquids
- Forklift Operation
- Hand & Power Tools
- Heat Related Illnesses
- Ladder Safety
- Lifting Techniques
- Medical Service & First Aid
- Personal Protective Equipment
- Wire Rope Safety

PLEASE CALL US SO THAT WE CAN DISCUSS YOUR NEEDS AND SCHEDULE A SAFETY TRAINING SESSION WITH YOUR EMPLOYEES.
